

Encompassing over 6 km of stunning coastline within Al Mouj community, Kempinski Hotel Muscat is an unparalleled luxury destination in the capital of Oman, blending traditional Omani hospitality with timeless European elegance. With 310 rooms and suites, state-of-the-art meeting facilities, 10 world-class restaurants and lounges, a fully equipped health club and an authentic spa experience, Kempinski Hotel Muscat is a gateway to an authentic Omani adventure.

Designed by Woods Bagot, the hotel is a modern interpretation of Muscat and the Sultanate of Oman, with stand-out elements that are truly Omani in nature. The buildings of the guest rooms - with a façade inspired by the landscape of Old Muscat such as the Muttrah Corniche - are a matrix of building structures, outlining what was once a commercial centre. The design of the lobby originates from the nature of lilies in a pond, and is inspired by the Al Alam Palace, the ceremonial palace of His Majesty Sultan Qaboos. The prominent location of the ballroom – wherein the Muscat Ballroom is situated – establishes a strong first impression, with an architectural design inspired by Arabic lanterns, illuminated in the evening to reinforce the hotel as a landmark in the Al Mouj community.

Kempinski Hotel Muscat comes as a dining destination where guests can experience live interactive cuisines at The Kitchen Restaurant or choose to indulge in a delightful Northern Indian experience at Bukhara Restaurant. For light snacks and meals during the day, the Pool Bar team takes care of each guest's appetite, while relaxing and enjoying the sun. For fans of Thai street food, Soi Soi is the place to be; a lively restaurant reminiscent of Bangkok's bustling street-food scene. For authentic Indian teas, Boulevard Tea House provides that and more in a cosy setting. Fresh coffee, dainty desserts and pastries can be found at Café One, the hotel's deli. Amwaj Lounge, the hotel's luxury living room, sets the scene with a selection of French pastries and afternoon tea.

Cigar aficionados can unwind in the opulent 1897 Cigar Lounge & Bar, presenting the biggest collection of Cuban cigars. Zale, the hotel's beach club and lounge, is also the only one of its kind in Al Mouj, specialising in globally inspired cuisine, using seasonal ingredients and the freshest local products. At night, this venue turns into a vibrant lounge, a new and exciting addition to Muscat's night scene. Cosmic Bowling is the only bowling and entertainment centre in Al Mouj, perfect for a fun game of bowling.

The 1,100 sq m pillar-free ballroom can accommodate up to 700 guests and can be divided into three sections. The striking diamond-shaped building also hosts 11 separate function rooms, featuring natural daylight and conveniently equipped with state-of-the-art audio-visual equipment.

Kempinski Hotel Muscat is nestled in the Al Mouj community, an innovative project that offers unparalleled lifestyle and leisure experiences within the new heart of Muscat. Located within this waterfront community, guests will have access to exciting retail and dining facilities at Boulevard, with a premier marina facility and flagship yachting destination at Al Mouj Marina as well as a signature PGA-standard 18-hole links-style course at Al Mouj Golf, minutes away from the airport.
